## A BRIEF NOTE—

The P. A. Rasmussen & Sons annual production sales have become well enough established, and the herd which is one of Iowa's largest, well enough known so that a great deal of comment is not necessary.

However, it is very apparent that from year to year and with each succeeding sale the quality of the offerings have improved and have come to be more appreciated by the buyers.

The best recommendation is that they are practical, good doing cattle that give a good account of themselves in the hands of others and make repeat customers of previous buyers. Last year many strong herds added female replacements from this offering. Everyone will agree that the herd bulls and bloodlines are the best that can be found.

This year's offering is equal to and superior to previous offerings. There are some very good bulls and the female offering is probably the best they have sold. The individuality and breeding is such that they can go into any herd. The get and service of their noted herd bulls should be an inducement to many. Study the reference photos and pedigrees of these sires. Then study the pedigrees of the cattle to sell. You will want to be present at the Rasmussen farm on October 3rd when these animals are exposed at auction. We appreciate the opportunity to welcome you.

ALBERT J. HAMANN, Sale Manager.

EDELLYN ROYAL LEADER 100th—was purchased in the 1949 Edellyn Farm Sale but by mutual agreement retained by them for all 1949 and 1950 shows. He was undefeated summer yearling at all the 1949 major shows, was Reserve Champion at the 1950 Iowa State Fair and Grand Champion at the 1950 Southwestern Exposition at Ft. Worth, Texas. The 1950 Edellyn sale heifers that carried his service were a sale feature and made an extremely high average. His calves in the Rasmussen herd are very promising and a group that are sure to please everyone will be on display sale day. As a sale attraction 15 top heifers sell carrying his service and should prove profitable investments. Also please note he is out of the same dam as the record \$10,000 heifer sold in the 1952 Edellyn Sale.

**IMP. NAEMOOR MONITOR**—This good headed, great quartered, level, good legged, well balanced son of Cruggleton Prince Bob, and who was a Perth first prize winner, was acquired as a mature bull late in 1950 after making a great record in the Studer herd. His get have been consistent tops at the International and Iowa Royal Sales. A great many of his heifers are being retained in the Studer herd. The blood of this sire should blend well on the Mercury, Royal Leader, and Royal Charter females. Ten females in the sale bred to him. They should make a good investment. We have some good calves by him.
